

PUBLIC LIBRARIES

are at the center of
Community Renewal & Transformation

Public libraries embrace curiosity and work effectively in a climate of ambiguity and changing priorities.

Whether within the traditional walls of the public library or across a virtual environment, public libraries offer the communities they serve resources and tools at their point of need to bridge financial gaps, develop agency, and strengthen the learning culture.

Empower with Technology

Anticipates future trends and embraces the integration of innovative technologies and ethical use of digital resources.

Adapt

Navigate

Instruct with Expertise

Trained to instruct patrons as they navigate and master a full range of media, information fluency, and digital literacy skills.

Value through Curation

Expertly vets, appraises financial value, and curates a diverse collection of materials resources for the community that support the interests and needs of the community.

Shape

Connect

Link to Literacy

Empowers ALL learners with access to instructional opportunities through the library, as well as books and digital resources that address multiple literacies and diverse perspectives to inspire inquiry and creativity.

Foster Equity & Belonging

Provides equitable access to culturally responsive resources for social and emotional learning and informed education that inspire personal growth, meet patrons' emotional needs, and promote a culture of belonging.

Include

SNOE Regional Libraries

Providing Additional Library Services to XX Libraries across the Seneca, New Castle, Oil Creek and Erie Districts
